# ZUBOV TIMOFEY

*Back-end developer*

## *Work Experience*

- OOO "YANDEKS.TEKHNOLOGII" - Intern developer (C++, Pyhton).
March 2024 - October 2024

## *Summary*

I am a HSE student majoring in information security. In my spare time I love to solve algorithmic problems on codeforces or leetcode or hack machines at HacktheBox.

## Skills

- Python (Django, Flask, Pytest, Unittest)
- Linux
- Git
- Sql (SQLite, Postgres, Yql)
- Docker
- C++
- Prometheus, Grafana
